DuroTurf

DOOR MATS

Undisputed leader

DuroTurf is the undisputed market leader and trendsetter in the turf-matting segment catering to a varied set of industries including numerous Corporates, Public Sector Units, Health Sector, Private enterprises and the Hospitality industry across the country. Moreover, its client base of over a million satisfied customers is a testimony to this fact.

Keeps dirt outside and out of sight

They are made from high-grade polymer with a unique Japanese technology. DuroTurf's specially designed tufts scrape the dirt and muck off the footwear and keeps it out of sight. This gives the mats always a clean look. These mats are anti-skid, non-toxic and washable too.

The 'all usage' mat

DuroTurf mats are compatible for varied applications- at doorsteps, balconies and bedrooms. Their usage is wide. You also have the choice of picking DuroTurf mats from a palette of colours and shades, which add to the aesthetics of your doorstep.

*DuroSoft's **Random Loop Structure** with its higher dirt scrapping capacity, aggressively scrapes away dirt & muck and hides it beneath.*

Elegance

Experience a better, beautiful and reliable way to protect your ambience against dirt & grime. Designed to appeal to your aesthetic senses, DuroSoft mats' sleek carpet-like finish is available in many attractive colours, unlike many conventional mats, which look drab and are absolutely unappealing with their looks. Moreover, its flossy base offers a soft cushioning support to the feet giving relief from foot fatigue.

Efficiency

DuroSoft mats' intricate and attractive 'Random Loop Structure' provide a forceful brushing action trapping dirt & dust; fights compaction and springs back to life under heavy foot traffic. Its durable backing prevents skidding while the bevelled edges reduce tripping hazards. Moreover, it offers convenience of easy maintenance.

Customised Branding

DuroSoft mats also offer clients, the advantage of customized branding for bulk orders. Now you can display your company logo or any promotional message on these mats in a very cost-effective way.
